Data Protection Regulation

We hereby confirm that our federation as well as all its affiliated clubs, its bodies, employees, contractual partners, and athletes ensure that the collection, storage, transmission, publication, and other processing of personal data takes place within the framework of the FIL federation purposes and the relevant regulations of the FIL, the IOC, WADA, NADA, and the national and international sports umbrella organizations including the good governance regulations. In particular, we ensure that there is an appropriate legal basis for all data processing and that any necessary consent is obtained in a verifiable form in accordance with the requirements for effective consent. We undertake to protect the data with appropriate technical and organizational protective measures and to provide the FIL with a description of the processing activities including the legal basis, consents granted, and explanations of the protective measures taken upon request.
