Memo

October 2, 2020

68th FIL Congress 2020 in Berchtesgaden

Dear Ladies and Gentlemen,

After many discussions with the German Bobsleigh and Luge Federation (BSD) and the involvement of the local authorities responsible, the FIL Executive Board has decided to hold the 68th FIL Congress 2020 as an Online Congress.

The congress day is Friday, November 20, 2020.

This decision was made due to the unforeseeable development regarding the COVID-19 pandemic and the associated risks and restrictions.

After already having consulted with the Chairman of the FIL Legal Committee Dr. Christian Krähe, the agenda you already know will remain the same. All votes and elections will be conducted by means of an electronic voting system (secret and anonymous).

We will inform you promptly about further details regarding this online Congress. The FIL and BSD will make every effort to organize and conduct this online Congress in the most professional manner possible, using the most modern technical means.

Best regards,

Christoph Schweiger
Executive Director of the FIL
